**TWIN ENGINE (YOUTH BAND OF LAKEWOOD HIGH SCHOOL STUDENTS)
SPEARHEADING LOCAL RELIEF EFFORT FOR THE MAY 1ST FLOOD
VICTIMS OF MIDDLE TENNESSEE.**

June 2010, Lakewood, OH – Lakewood’s own, Twin Engine the Band creates “*Lakewood Rocks 4 Music City*”, a benefit event for the victims of the May 1, 2010 flood of middle Tennessee.

When: September 11, 2010
3:00 pm to 8:00 pm

Where: Around the Corner; 18616-20 Detroit Ave., Lakewood, OH 44107.

Event: Live Music with Twin Engine, additional youth bands from Jam Sessions Music School and B.E. Mon a national music entertainer. A silent auction and door prizes are also planned.

After visiting Nashville just weeks before the flood, this event touched the emotions of two band members; Christopher (guitar) and Kent (electric violin and bass). When watching video’s and news casts of the devastation, they asked their father, “What about the Wild Horse...?” “It’s gone”, said their father. “What about the ice cream shop...?” “It’s gone too.” “What about the store where you bought your hat...?” “It’s gone.” “What about the Grand Ole Opera...?” “The stage is two feet under water...” As this began to settle, they decided to do something to help.

Cont.

Lakewood Rocks 4 Music City was created. A collective effort spearheaded via Twin Engine, with the support of BlueSky Graphic Services (Lakewood, OH) www.blueskyon-line.com , Around the Corner (Lakewood, OH) www.atccafe.com and Jam Sessions Music School (Kent, OH) www.jamsessionsschool.com in conjunction with The Community Foundation of Middle Tennessee; www.cfmt.org. Additional sponsors, i.e.: Baker Motors and Guitar Center are already stepping forward to help even before the event has been officially announced.

Twin Engine is committed to collect as much money as possible – with 100% of all donations going to the relief fund, and donations are tax deductible.

\$8.00 Tickets will be available at various locations throughout Lakewood and its surrounding area – check www.tetheband.com for event and ticket information.

Twin Engine is also seeking additional sponsors for the event, if you'd like to help; contact, [scott@ blueskyon-line.com](mailto:scott@blueskyon-line.com).

Twin Engine is not the traditional local High School Band - sure there's guitars, drums and singing. But our viper adds a nice twist. Twin Engine has been together since 2007 and enjoys performing contemporary rock, classic rock and county music; www.tetheband.com. Twin Engine is Christopher, Kent, Shawn and Michaela.
